

Rambam Faculty Questionnaire

Name: Evelyn P. Burke

School: Middle School

Subject: Math

Grade: 5th – 8th

Education:

Bachelor of Science in Elementary Education

Certified in Elementary School Education Grades 1st - 8th

Certified in Middle School Education Grades 4th – 8th

Experience: 20 years in Savannah/Chatham Public Schools teaching both Middle and Elementary School

Teaching Philosophy: Teaching is not a job. I view education as a creative endeavor which I pursue with passion and enthusiasm, while being constantly aware of each student's needs. I give each student exactly what I would want my own children to receive in order to teach them skills, concepts and most importantly, how to think and solve problems.
